I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

This move by the FDA would be unfair to those of us who live out of state (I live in California) Madison Pharmacy is/was my answer to my health and wellbeing as my HMO does not provide compounded Rx. My Hormone Rx from Madison have given me back "myself". At 52yrs of age (and having found that I have a negative reaction to Premarin and Provera) I am grateful for my special Rx in hormones from Madison Pharmacy.
